EDUCATION

- PhD, Philosophy (specialization in Bioethics), University of Western Ontario, 1989
- MA, Philosophy, University of Western Ontario, 1984
- BA (First Class Honours), Political Science, McGill University, 1983
- Certificate of Bilingualism, Laurentian University, 1981
- Certificate of Law and Justice, Laurentian University, 1981

HONOURS and AWARDS

- Fellow, Royal Society of Canada, The Academies of Arts, Humanities and Sciences of Canada, 2007
- Fellow, Canadian Academy of Health Sciences, 2007
- The Ascension of Effort, Official Black History Month Poster featuring four successful Black Canadians (artist, Robert Small), 2006
- Canadian Who's Who, University of Toronto Press, 2004 [2005, 2006, 2007, 2008, 2009, 2010]
- Canada Research Chair in Bioethics and Philosophy, 2004-2011
- Dalhousie University Research Professorship, 2003-2008 (declined)
- Who's Who in Black Canada, D.P. Williams and Associates, 2006 [2002]
- Dalhousie Medical Research Foundation Award of Excellence in Medical Research (Bioethics), 2001
- Social Sciences and Humanities Research Council of Canada Doctoral Fellowship, 1985-88
- Ontario Graduate Scholarship, 1985 (declined)
- Ontario Graduate Scholarship, 1984
- Entrance Scholarship, University of Western Ontario, 1983-84
- Special University Scholarship, University of Western Ontario, 1983-84
- Delta Upsilon and John W.F. Peacock Memorial Scholarship, McGill University, 1983-84
- James McGill Award, McGill University, 1982-83
- Programmes de moniteurs des langues officielles, 1982
- James McGill Entrance Award, McGill University, 1981-82
- Laurentian University Faculty Scholarship, Laurentian University, 1981-82 (declined)
- Laurentian University Faculty Scholarship, Laurentian University, 1980-81
- Second Language Program Fellowship, Laurentian University, 1980-81
- RJ Askin Memorial Prize, Laurentian University, 1980
- ET Lute Memorial Prize, Laurentian University, 1980
- Laurentian Entrance Scholarship, Laurentian University, 1979-80
- Ruth E. Foley Memorial Scholarship, Laurentian University, 1978-79
- Ontario Scholar, 1979

EMPLOYMENT

CURRENT ACADEMIC APPOINTMENTS

- Visiting Professor, Centre for Biomedicine and Society, King's College London, October 2009-12
- Professor and Canada Research Chair in Bioethics and Philosophy, Dalhousie University, 2004-2011
- Professor, Department of Bioethics, Faculty of Medicine, Dalhousie University, 2002-forward
- Professor, Department of Philosophy, Faculty of Arts and Social Sciences, Dalhousie University, 2002-June 30, 2010 (cross-appointment)
- Professor, Department of Obstetrics and Gynecology, Faculty of Medicine, Dalhousie University, 2009-June 30, 2012 (cross-appointment)

PREVIOUS ACADEMIC APPOINTMENTS

- Visiting Researcher, Brocher Foundation, Hermance, Switzerland, July 2008
- Visiting Fellow, Centre de Recherche en Ethique de l'Université de Montréal (CREUM), 2003-04
- Acting Department Head, Bioethics, Faculty of Medicine, Dalhousie University, 2000-01
- Associate Professor, Department of Bioethics, Faculty of Medicine, Dalhousie University, 1996-2002
- Associate Professor, Department of Philosophy, Faculty of Arts and Social Sciences, Dalhousie University, 1996-2002
- Assistant Professor, Department of Philosophy, University of Tennessee Knoxville, 1993-96
- Lecturer, Department of Pediatrics, Department of Obstetrics and Gynaecology, and Department of Rehabilitation Medicine, University of Toronto, 1991-93
- Lecturer, Dept. of Obstetrics and Gynaecology, University of Western Ontario, 1989-91

PREVIOUS EMPLOYMENT: ACADEMIC

- Research Associate, Westminster Institute for Ethics and Human Values, 1989-90
- Academic Secretary, Medical Research Council, Working Group on Guidelines for Somatic Cell Gene Therapy, 1988
- Researcher, Westminster Institute for Ethics and Human Values, 1988-89
- Graduate Research Assistant, Westminster Institute for Ethics and Human Values, 1987-88
- Instructor, Department of Philosophy, University of Western Ontario, 1984-85
- Teaching Assistant, Department of Philosophy, University of Western Ontario, 1983-84

PREVIOUS EMPLOYMENT: CLINICAL

- Ethics Consultant, Board Ethics Committee, IWK-Grace Health Centre, Halifax, 1996-97
- Clinical Associate in Medical Ethics, University of Tennessee Medical Centre Knoxville, 1993-96
- Bioethicist, The Hospital for Sick Children, Toronto, 1991-93
- Ethics Consultant, Department of Obstetrics and Gynaecology, University Hospital, London Ontario, Early Pre-Implantation Cell Screening (EPICS), and embryo freezing, 1991

INTERNATIONAL and NATIONAL COMMITTEES

INTERNATIONAL COMMITTEES

- International Advisory Group for the REMEDIÉ project -- Regenerative Medicine in Europe: Emerging needs and challenges in a global context, 2008-ff

GOVERNOR-IN-COUNCIL APPOINTMENTS

- Assisted Human Reproduction Canada (AHRC), Board of Directors, 2006-10
- Canadian Institutes of Health Research (CIHR), Governing Council, 2001-04
- Canadian Biotechnology Advisory Committee (CBAC), Member, 1999-2001

NATIONAL COMMITTEES

- Canadian Institutes of Health Research (CIHR), Gender and Health Institute Advisory Board, 2009-11
- Canadian Commission for UNESCO, Sectoral Commission, Natural, Social and Human Sciences, 2008-2010
- Canadian Centre for Ethics in Sport (CCES), Board of Directors, 2006-11
- Canadian Institutes of Health Research (CIHR), Co-Chair Standing Committee on Ethics, 2001-04
- Canadian Institutes of Health Research (CIHR), Priorities and Planning Committee, Institute of Genetics, Ethics, Legal and Social Issues, (ex officio) 2002-04
- Canadian Institutes of Health Research (CIHR), Genetics Institute Advisory Board (also a member of Executive), 2001
- Genome Canada, Science and Industry Advisory Committee (SIAC), 2000-03
- Canadian Institutes of Health Research (CIHR), Ad Hoc Working Group on Stem Cell Research, 2000-01
- National Reference Group on Post-Exposure Prophylaxis, Health Canada, 2000-01
- Advisory Group to the Canadian Institutes of Health Research (CIHR) Interim Governing Council Sub-Committee on Ethics, 1999
- Social Sciences and Humanities Research Council (SSHRC)/ Canadian Institutes of Health Research (CIHR) Health Activities, Advisory Committee, 1999
- Biomedical Ethics Committee, Royal College Physicians and Surgeons of Canada (RCPSC), 1999-2001
- National Council on Ethics in Human Research (NCEHR), Member of Council, 1998-2000
- Ethics of Research Design Committee, Member, 1999-2000
- Consent Committee, Member, 1993-99
- Ethics Committee, Society of Obstetricians and Gynaecologists of Canada (SOGC), 1994-97

NATIONAL COMMITTEES: CO-AUTHOR OF FINAL REPORTS

- Ad Hoc Working Group on Stem Cell Research (2002). *Human pluripotent stem cell research. Recommendations for CIHR-funded research. Canadian Institutes of Health Research* [On-line]. Available: <http://www.irsc.gc.ca/e/1489.html>
- Sherwin, S., Baylis, F., Bernstein A., Caulfield, T., Dickens, B., Downie, J. et al. (1999). *Integrating bioethics and health law into the Canadian institutes of health research* [On-line]. Available: http://www.chsrf.ca/final_research/commissioned_research/programs/pdf/hidg/sherwin.pdf
- American Society for Bioethics and Humanities (1998). *Core competencies for health care ethics consultation*. Glenview, IL: ASBH.
- Society of Obstetricians and Gynaecologists of Canada (1997). SOGC clinical practice guidelines. Policy statement: Involuntary intervention in the lives of pregnant women. *Journal of the Society of Obstetricians and Gynaecologists of Canada*, 19, 1200-1203.
- Society of Obstetricians and Gynaecologists of Canada (1997). SOGC practice guidelines. Policy statement: Preconception arrangements. *Journal of the Society of Obstetricians and Gynaecologists of Canada*, 19, 393-399.
- National Council on Ethics in Human Research (1996). Facilitating ethical research: Promoting informed choice [Discussion document]. *NCEHR Communiqué CNERH*, (Suppl.) 7(2), i-28. [On-line]. Available: <http://www.ncehr-cnerh.org/english/consent/consente.htm>
- National Council on Bioethics in Human Research (1990). Ethical aspects of pharmaceutically-based clinical investigation. *Annals of the Royal College of Physicians and Surgeons of Canada*, 23, 436-438.

NATIONAL COMMITTEE MEETINGS: CONSULTANT

- Law Commission of Canada. Study Panel. Does age matter? Law and relationships between generations [2004 Discussion paper], February 2006
- HIV/AIDS Policy Co-ordination Division, Health Canada, September 1998
- Women's Health Bureau, Health Canada, January 1998

- Tri-council working group. Code of ethical conduct for research involving humans. Ottawa: MRC, NSERC, SSHRC, February 1997.
- Medical Research Council, Advisory Committee on Women in Clinical Trials, May 1995

CAREER AWARD

Year	Title	Granting Agency	Amount
2004-2011	Novel Genetic Technologies and Inter-generational Justice	Canada Research Chair	1,400,000

RESEARCH AWARDS

Year	Title	Granting Agency	Amount	Role
2010-2012	Let Conscience be their Guide? Conscientious Refusals in Reproductive Health Care	Canadian Institutes of Health Research	\$240,297	Co-investigator (PI: C. McLeod)
2007-2009	Pandemic Planning and Foundational Questions of Justice, the Common Good and the Public Interest	Canadian Institutes of Health Research	\$130,347	Co-investigator (PI: N. Kenny)
2006-2011	States of Mind: Emerging Issues in Neuroethics	Canadian Institutes of Health Research	\$1,376,500	Principal Investigator
2005-2009	Therapeutic Hopes and Ethical Concerns: Clinical Research in the Neurosciences	Canadian Institutes of Health Research	\$472,348	Principal Investigator
2005	States of Mind: Emerging Issues in Neuroethics (LoI)	Canadian Institutes of Health Research	\$5,000	Principal Investigator
2004-2008	Big-Picture Bioethics: Policy-making and Liberal Democracy	Australian Research Council	\$339,658 (AUD)	Co-investigator (PI: S. Dodds)
2004-2007	Ethical Frameworks for Health Policy: Appraisal, Appraisal and Applications	Canadian Institutes of Health Research	\$193,898	Co-investigator (PI: N. Kenny)
2004	Development Support, Neuroethics New Emerging Team Grant	Nova Scotia Health Research Foundation	\$6,010	Co-project Leader (with J.S. Robert)
2004	Big-Picture Bioethics: Policy-making and Liberal Democracy	University of Wollongong	\$15,000 (AUD)	Co-investigator (PI: S. Dodds)
2003-2005	Our Cells/Ourselves: The Ethics of Embryonic Stem Cell Research	Stem Cell Network (NCE)	\$161,240	Co-project Leader (with J.S. Robert)
2003-2005	The Model Systems Strategic Research Network	Stem Cell Network (NCE)	\$251,232	Co-project Leader (with J.S. Robert)
2003-2008	Towards Single Embryo Transfer in the Human	Canadian Institutes of Health Research	\$3,350,000 (\$459,000)	Collaborator (PI: T. Kennedy)
2003-2004	Frozen Human Embryos in Research: A Survey of Canadian IVF clinics	Associated Medical Services Inc.	\$18,200	Principal Investigator
2001-2007 2001-2003	Stem Cell Genomics and Therapeutics Network (Sources of Material in Human Stem Cell Research)	Network of Centres of Excellence (NCE)	\$21,100,000 (\$127,785)	Principal Investigator (SD: R. Worton)

2001-2004	Gene Therapy For Neurological Disease	Canadian Institutes of Health Research	\$1,300,000 (\$96,000)	Co-investigator (PI: G. Karpati)
2001-2002	Justice for All: Novel Genetic Technologies and Obligations to Future Generations	Canadian Institutes of Health Research	\$40,970	Principal Investigator
2000-2002	Ethnicity, Citizenship, Family: Identity After the Human Genome Project	NIH, National Human Genome Research Institute	\$460,000 (US)	Project Advisor (PI: C. Elliot)
2000-2001	Our Cells/Ourselves: Human Biotechnology, Ethics and Public Policy in the New Millennium	Associated Medical Services Inc.	\$15,000	Principal Investigator
2000-2001	Attitudes of Pregnant Women to Cord Blood Stem Cell Collection, Testing and Banking	IWK Grace Research Services	\$14,275	Co-investigator (PI: C Fernandez)
1999-2000	Human Cloning and Intergenerational Justice	Dalhousie University	\$3,692	Principal Investigator
1999	Bioethics and Health Law in CIHR	SSHRC-CHSRF	\$39,923	Co-investigator (PI: S. Sherwin)
1997-2000	Enhancement Technologies and Human Identity	SSHRC	\$135,000	Co-investigator (PI: C. Elliott)
1997-1999	Enriching the COPS Curriculum Through Integration: Genetics, Communication, Ethics and Law	Dalhousie University, Research and Development Fund of the Division of Medical Education	\$13,400	Principal Investigator
1997	Research on Gene Transfer: Ethical Considerations	Dalhousie Medical Research Foundation	\$7,116	Principal Investigator
1996-1998	SHHV/SBC Task Force on Standards for Clinical Ethics Consultation	Greenwall Foundation US bioethics centres and networks	\$316,000 (US)	Member (PI: S. Younger and B. Arnold)
1994	A Feminist Analysis of the Concepts of Abuse, Illness and Cultural Difference	University of Tennessee-Knoxville Faculty Research Award	\$5,000 (US)	Principal Investigator
1993-1997	Feminist Health Care Ethics	SSHRC	\$120,000	Co-investigator (PI: S. Sherwin)
1993-1996	Paediatric Ethics: Theoretical Foundations as Realized in Post-graduate Medical Education	Social Sciences and Humanities Research Council, and AMS	\$119,750 \$100,000	Co-investigator (PI: A. Lynch)
1992-1995	Educating Healthcare Ethics Committees	FIPSE, US Department of Education	\$340,000 (US)	Faculty (PI: S. Spicker)
1991-1994	Ethics Consultation in Health Care	Social Sciences and Humanities Research Council	\$70,000	Principal Investigator
1987-1990	Health Care Ethics Project	AMS; Ivey Fund; UWO	\$100,000	Faculty (PI: A. Lynch)

CIHR TRAINING PROGRAMS

Year	Title	Amount	Role
2002-2008	Ethics of Health Research and Policy Training Program	\$300,000 annual average 100,000 NSHRF (2002-2004)	Co-investigator (PI: M. McDonald)
2002-2008	CIHR Strategic Training Initiative in Research in Reproductive Health Sciences (STIRRHS)	\$300,000 annual average	Mentor (PI: W. Fraser)
2002-2008	CIHR Training Program in Health Law and Policy	\$300,000 annual average	Mentor (PI: J. Downie)

INFRASTRUCTURE GRANTS

Establishment of an Intellectual Commons for interdisciplinary research in bioethics.

Year	Funding Source	Amount	Role
2004-2008	Canada Foundation for Innovation: Innovation Fund	\$109,700	Principal Investigator
2004-2008	Nova Scotia Research and Innovation Trust	\$109,700	Principal Investigator
2004-2008	Dalhousie Faculty of Medicine	\$49,301	Principal Investigator

Establishment of the Canadian Centre for Vaccinology (Halifax) with laboratories for basic, translational, and multidisciplinary research and facilities for human challenge studies

Year	Funding Source	Amount	Role
2004-2008	Canada Foundation for Innovation: Innovation Fund	\$2,251,893	Co-investigator (PI: SA Halperin)
2004-2006	Office of Economic Development, Government of Nova Scotia	\$2,263,309	Co-investigator (PI: SA Halperin)
2004-2008	IWK Health Centre and other partners	\$1,126,340	Co-investigator (PI: SA Halperin)
2004-2008	Canada Foundation for Innovation: Research Hospital Fund	\$2,176,726	Co-investigator (PI: SA Halperin)

WORKSHOP/MEETING GRANTS

Year	Title	Granting Agency	Amount	Role
2009	Brain Matters: New Directions in Neuroethics	CIHR NSHRF Dalhousie University IRCM NRC Other	\$25,000 \$3,500 \$13,500 \$2,000 \$1,500 \$4,000	Principal Investigator

2009	Brain Matters: New Directions in Neuroethics	Greenwall Foundation	\$5,000 (US)	Co-Principal Investigator (w J.S. Robert)
2009	Café Scientifique Autism: Research Priorities and the Public Purse	CIHR	\$3,000	Nominated Principal Applicant
1997-1998	Assent and Dissent in Research Involving Children	IWK Grace Health Centre Foundation HSC Foundation SSHRC AMS MRC NCI	\$10,000 \$10,000 \$9,812 \$5,000 \$5,000 \$2,000	Principal Investigator

PRESENTATIONS

REFEREED PRESENTATIONS AT INTERNATIONAL MEETINGS

- The Impact of Relational Identity for the Ethical Evaluation of Brain-machine Interfaces. 10th International Congress of Bioethics, Singapore, July 2010 (with J. Clausen, B. Gordjin, G. Wolbring).
- You've Come a Long Way Baby: Ethical Considerations in Cross-border Reproductive Travel. 8th International Conference on Feminist Approaches to Bioethics, Singapore, July 2010 (with G. Crozier, C McLeod and J. Snyder).
- Ethics and Neuroscience Research in Developing Countries. 38th Annual Meeting of the Society for Neuroscience. Social Issues Roundtable: Global Neuroscience – Neuroethics and the Burden of Nervous System Disorders, Washington, DC, November 2008.
- Slippery Slopes and Cytoplasmic Hybrid Embryo Research. 10th Annual Meeting of the American Society for Bioethics and Humanities, Cleveland, OH, October, 2008.
- Plenty Cheap: Animal Eggs for Human Embryonic Stem Cell Research. 9th International Congress of Bioethics, Rijeka, Croatia, September 2008.
- Feminist Relational Theory: An Essential Component of Pandemic Planning. 7th International Conference on Feminist Approaches to Bioethics and 9th International Congress of Bioethics, Rijeka, Croatia, September 2008 (with N. Kenny and S. Sherwin).
- Using Nonhuman Animal Oocytes to Improve Assisted Human Reproduction: A Woman's Choice? 7th International Conference on Feminist Approaches to Bioethics, Rijeka, Croatia, September 2008.
- Defining Values for Bioethics and Bioethicists: Continuing the Dialogue. Panel. 9th Annual Meeting of the American Society for Bioethics and Humanities, Washington DC, October, 2007 (with L. Eckenwiler, V. Ashby Sharpe, L. Turner, and F. Cohn).
- Neuroenhancement: Psychopharmacology and Beyond. Panel. 9th Annual Meeting of the American Society for Bioethics and Humanities, Washington, D.C., October, 2007 (with W. Glannon, E. Racine and R. Bondar).
- Should Women Be Paid to Provide Eggs for Stem Cell Research? Feminist Ethics and Social Theory (FEAST) Conference, Clearwater Beach, Florida USA, September 2007 (with C. McLeod).
- Chimera Research for Degenerative Brain Disorders. 8th Annual Meeting of the American Society for Bioethics and Humanities, Denver, Colorado, October, 2006.
- Fresh or Frozen Embryos: Which is best for Embryo Donors? 6th International Conference on Feminist Approaches to Bioethics, Beijing, China, August 2006 (with C. McLeod).
- Ethics, Embryos and the Art of Finesse. American Association for the Advancement of Science, (Panel on Stem Cells and Society: Assessing a Grand Challenge) St Louis, Missouri, February 2006.
- Guidelines for Embryonic Stem Cell Research in CF: Two Countries, Two Similar Views. 28th European CF Conference, Crete, Greece, June 2005 (with N. Ram, M. Mélançon, & M. De Braekeleer).
- Stem Cells and Big Picture Bioethics: Comparing Policy Making in Liberal Democracies. 7th World Congress of Bioethics, Sydney, Australia, November 2004 (with S. Dodds, R. Ankeny, & J. Downie).
- Can Embryos Really be Commodified? International Network on Feminist Approaches to Bioethics, Sydney, Australia, November 2004 (with C. McLeod).
- Regulatory Genetic and Reproductive Technologies: Canadian and American Perspectives. Joint Meeting American Society for Bioethics and Humanities and Canadian Bioethics Society, Montréal, Québec, October 2003 (panel with T. Caulfield and L. Knowles).
- Confusion about Crossing Species Boundaries: Scientific, Ethical and Social Aspects of Chimaera Making in Stem Cell Biology. Transvision 2003, Yale University, New Haven, Connecticut, June 2003 (with J. S. Robert).
- Identity and the Human Genome Project: The Species Problem. 6th World Congress of Bioethics, Brasilia, Brazil, November 2002 (with J. S. Robert).
- Ethics Consultation: Policies and Politics. International Association of Bioethics Network on Feminist Approaches to Bioethics, 4th International Conference on Feminist Approaches to Bioethics, Brasilia, Brazil, October 2002 (with S. Sherwin).

- The Public Face of Bioethics; Watchdog or Show Dog? 4th Annual Meeting of the American Society for Bioethics and Humanities, Fifth Annual Meeting, Baltimore, USA, October 2002.
- Genetic Enhancement Technologies: Imminent, Inevitable, or Inescapable? Society for Social Studies of Science. Cambridge MA, November 2001 (with J. S. Robert).
- Stability, Rupture and the Human Genome. 3rd Annual Meeting of the American Society for Bioethics and Humanities, 4th Annual Meeting, Nashville, USA, October 2001 (with J. S. Robert).
- Stability, Rupture and the Human Genome. International Bioethics Retreat, 4th Annual Meeting, Paris, France, May 2001 (with J. S. Robert).
- Human Enhancement Technologies. 5th World Congress of Bioethics, London, U.K. September 2000.
- Human Cloning: Three Mistakes and a Solution. International Bioethics Retreat, Second Annual Meeting, Florence, Italy, October 1999.
- Defining the Boundaries of "Respect". Bioethics Summer Retreat, Eleventh Annual Meeting, Hot Springs, Virginia, June 1999 (with C. Weijer).
- Pregnant Women and Substance Abuse: A Recent Supreme Court of Canada Decision. International Association of Bioethics, Fourth World Congress, Tokyo, Japan, November 1998.
- Women and Health Research: New Canadian Research Guidelines. International Association of Bioethics Network on Feminist Approaches to Bioethics, 2nd International Conference on Feminist Approaches to Bioethics, Tsukuba, Japan, November 1998 (with J. Downie).
- Taking Ourselves to Task: A Session in Tribute to Benjamin Freedman. Joint Meeting of the American Association of Bioethics, Society for Bioethics Consultation, Society for Health and Human Values, Annual Meeting, Baltimore, Maryland, November 1997.
- Reflections on Autonomy, Agency, and Resistance. International Association of Bioethics Network on Feminist Approaches to Bioethics, First International Conference on Feminist Approaches to Bioethics, San Francisco, California, November 1996.
- Development of a Postgraduate Medical Ethics Curriculum: A Canadian Model for Pediatrics -- Pedagogic Methods and Tools. Third World Congress, International Association of Bioethics, San Francisco, California, November 1996.
- Consultation and Cross-cultural Conflict: A Choice for K'aila. Society for Bioethics Consultation, Annual Meeting, Cleveland, Ohio, September 1995.
- The 'Good' Physician: Pediatric Ethics Education. Society for Health and Human Values, Spring Annual Meeting, Chicago, Illinois, April 1995 (with N. Kenny).
- Children and Consent to Treatment. Society for Health and Human Values, Spring Annual Meeting, Galveston, Texas, May 1993.
- Ethics Consultation by Committee, by Consultant, by ... Society for Bioethics Consultation, Annual Meeting, Toronto, Ontario, September 1991.

INVITED PRESENTATIONS AT INTERNATIONAL MEETINGS

- First "first-in-human trials" with neural stem cells. Bioethics and Experimental Neuroscience. London, U.K. 7 May 2010.
- Policy Challenges Ahead. Beyond Pattison: Challenges to Stem Cell Translation and Policy. London, U.K., 7-8 May 2009.
- Neurotechnological Enhancement. Pimp Your Brain! Theater Freiburg, Freiburg, Germany, 16-19 April 2009.
- Slippery Slopes and Cytoplasmic Hybrid Embryo Research, PEALS Symposium, Durham Castle, United Kingdom, April 2008.
- Plenty cheap: Animal Eggs for hESC Research. From Standards to Concerted Programs of Collective Action: The Standardization Process of Medical Practices. European Science Foundation Exploratory Workshop. René Descartes University Paris V, Paris, France, 5-7 December 2007.
- Creating Humanesque Embryos. International Conference on the "Healthy" Embryo. University of Western Ontario, London, Ontario, November 2007.
- On the Path to Regenerative Medicine: Stem Cell Research and Crossing Species Boundaries. Facts at the Frontier: Crossing Boundaries between Natural and Social, Animal and Human. London School of Economics. London, UK, April 2007.

- Feminist Consultation. 6th International Congress on Feminist Approaches to Bioethics, Beijing China, August 2006 (with S. Dodds).
- Ethics, Embryos and the Art of Finesse. International Society for Stem Cell Research, Toronto, Ontario, July 2006.
- Global Norms in Bioethics: A Response to Harris. A Symposium on Global Bioethics, Dartmouth College, Hanover, NH, October 2005.
- Do Bioethicists Have Professional Obligations? ASBH Spring Meeting: The Ethics of Bioethics Albany, NY, April 2005.
- Human Embryonic Stem Cell Research: Policy and Politics, The Social and Cultural Implications of New Biomedical Technologies, University of Missouri-Columbia, Missouri, March 2005.
- Bioethics & You: Where Are We Going With Gene Technology, Stem Cells And Cloning? Public Forum. Sydney, Australia, November 2004.
- Embryonic Stem Cell Research and Policy-Making in the Public Interest, University of Otago, Dunedin, New Zealand, November 2004.
- Embryonic Stem Cell Research and Policy-Making: In the Public Interest. Gordon Research Conference on Science and Technology Policy: Who Wins, Who Loses, and Who Cares? Big Sky Resort, Montana, August 2004.
- The Ethics of Giving and Selling Eggs and Embryos for Therapy or Research. 17th International Conference for Nurses and Support Personnel in Reproductive Medicine, San Diego, May 2004.
- IRBs: Protecting Subjects from Harm in Research. National Ethics Conference on National Bioethics Advisory Commission Report: 'Research Involving Persons with Mental Disorders That May Affect Decisionmaking Capacity' Baltimore, Maryland, November 1998.
- The Future of Bioethics Consultation. Society for Bioethics Consultation, Chicago, Illinois, September 1992.

REFEREED PRESENTATIONS AT NATIONAL MEETINGS

- Public Health Renewal: The Need for a New Ethic. Canadian Public Health Association Annual Meeting. Halifax, Nova Scotia. June 2008 (with N.P. Kenny, S. Sherwin).
- Neuroenhancement for Sustainable Well-Being. Workshop. Canadian Bioethics Society Annual Meeting. Toronto, Ontario, May 2007 (with W. Glannon, E. Racine & J. S. Robert).
- The Ethics of Asking Patients to Donate Fresh Embryos to Stem Cell Research. Panel on Reproductive Autonomy. Canadian Philosophical Association Annual Meeting 2006, York University, Toronto, Ontario, May 2006 (with C. McLeod).
- La recherche sur les chimères et les traitements aux cellules souches pour les maladies neurodégénératives humaines. La neuroéthique. Une science du XXI^e siècle. Le savoir: trame de la modernité 74^e Congrès de l'Acfas. McGill, Montréal, Québec, May 2006.
- All the Way to the Bank: Ethical Policy Options for Stem Cell Resources. 17th Annual Meeting of the Canadian Bioethics Society, Halifax, Nova Scotia, October 2005 (with M. Giacomini and J. S. Robert).
- Narrative Evaluation of Ethical Dilemmas in the Clinical Clerkship: Fourth Year Bioethics Assignment. CAME/ACMC, Halifax, Nova Scotia, April 2004 (with J. Nisker).
- Human Embryonic Stem Cell Research: Comments on the NBAC Report. Canadian Bioethics Society, Annual Meeting, Québec City, Québec, October 2000.
- Respect for Children: Meaningful Involvement in Biomedical and Health Research. Canadian Bioethics Society, Annual Meeting, Toronto, Ontario, October 1998 (with N. Kenny).
- Women and Health Research: New Canadian Research Guidelines. Canadian Bioethics Society, Annual Meeting, Toronto, Ontario, October 1998 (with J. Downie & S. Sherwin).
- Ethics and the Peer Review Process: The "Suppression" of Controversial, Innovative Scholarship in Bioethics. Canadian Bioethics Society, Annual Meeting, Halifax, Nova Scotia, October 1997 (with C. Weijer & K. Morgan).
- Power-with, Not Power-over: Families, Ethics Consultants and Decision-making in Clinical Ethics Consultation. Canadian Bioethics Society, Annual Meeting Montréal, Québec, October 1996.
- A Feminist Analysis of Women and Research. Canadian Bioethics Society, Annual Meeting, Vancouver, B. C., November 1995 (with J. Downie).

- Child Abuse Through the Lenses of Gender and Culture. Canadian Bioethics Society, Annual Meeting, Ottawa, Ontario, November 1994 (with J. Downie).
- Primum Non Nocere: Patients, Professionals and Policies in Canadian Paediatric Institutions. Canadian Bioethics Society, Annual Meeting, Montréal, Québec, November 1993.
- The Profile of the Health Care Ethics Consultant. Canadian Bioethics Society, Annual Meeting, Toronto, Ontario, October 1992.
- Research: A Way of Caring for Children. Canadian Bioethics Society, Annual Meeting, Hamilton, Ontario, November 1991 (with J. Downie).
- Protective Privilege and Public Peril. Moral Philosophy in the Public Domain, Vancouver, British Columbia, June 1990.
- Death and Dying in Children's Literature. King's College, Death and Bereavement: Creative Strategies, London, Ontario, May 1990 (with J. Downie).
- The Ethics of Research on Spare 'IVF' Human Embryos. Canadian Bioethics Society, Annual Meeting, Calgary, Alberta, November 1989.
- Teaching Ethics to Medical Students in the Classroom Setting. Canadian Bioethics Society, Annual Meeting, Toronto, Ontario, November 1988.

INVITED PRESENTATIONS AT NATIONAL MEETINGS

- Ethics and AHR in Canada: Current State. CFAS 2010 Annual Meeting, Vancouver, BC. September 30, 2010.
- Ethical Aspects of Cross-Border Reproductive Care. CFAS 2010 Annual Meeting, Vancouver, BC. October 1, 2010.
- From H1N1 to Health Equity: Knowledge Exchange, Risk Communications and Decision-making. Public health in Canada: Shaping the Future Together, Toronto, Ontario June 14, 2010.
- Deep Brain Stimulation for Neuroenhancement: Ethical and Social Implications. Fourth JEMH Conference on Ethics in Mental Health. Peterborough, Ontario, May 14, 2010.
- Unique Challenges in Providing Care to Adolescents: Ethical Considerations. SOGC 65th Annual Clinical Meeting, Halifax, Nova Scotia, June 18, 2009.
- Proposed Revisions to the Draft 2nd Editions of the TCPS. (Panel member) Just Evidence? 20th Annual Meeting of the Canadian Bioethics Society, Hamilton, Ontario, June 12, 2009.
- Reflections and Directions in Education and Training. Health Policy Ethics: Cultivating a Growing Field in Canada. (Panel member). Pre-conference meeting. 20th Annual Meeting of the Canadian Bioethics Society, Hamilton, Ontario, June 11, 2009.
- Gene-Environment Interaction: The Gulf between What We Know and What We Do. Royal Society of Canada Annual Symposium – Social Sciences Facing Modern Genetics Challenges: Changing Boundaries between Gene Expressions, Behaviour and the Social Fabric. Edmonton, Alberta, November 2007.
- Ceasarean 'On Demand' / Ceasarean 'On Request'. SOGC 63rd Annual Clinical Meeting, Ottawa, Ontario, June 2007.
- On the Path to Regenerative Medicine: Stem Cell Research and the Ethics of Crossing Species Boundaries. Form and Function in Ocular Disease, Halifax, Nova Scotia, October 2006.
- Neuroethics: What is it and What Comes Next? JEMH Conference on Ethics in Mental Health – The Guises of Power: Subtle, Perceived, Insidious, Toronto, Ontario, May 2006. www.jemh.ca
- Ethics, Embryos and Stem Cell Research. Pre-Conference Workshop 17th Annual Meeting of the Canadian Bioethics Society, Halifax, Nova Scotia, October 2005.
- Future Directions in Health Research: "Of means and ends" Leaders' Forum for Health Research in Canada, Ottawa, Ontario, September 2004.
- Oocytes, Embryos and Stem Cells as Property or Commodities? 2nd Canadian Developmental Biology Symposium, Banff, Alberta, April, 2004.
- Human Stem Cell Research and the Politics of Cloning. Stem Cell Network 2nd Annual General Meeting, Vancouver, B.C., September, 2003.
- Embryonic Stem Cell Research: An Uncertain Future. Stem Cell Network 1st Annual General Meeting, Toronto, Ontario, September, 2002.

- The Ethics of Deriving Human Stem Cells. SOGC 58th Annual Clinical Meeting, Winnipeg, Manitoba, June 2002.
- Ethical Implications of Gene Therapy. CFBS 45th Annual Meeting, Montreal, Quebec, June 2002.
- The Ethics of Deriving Human Stem Cells. SOGC 12th West/Central CME Programme, Banff, Alberta, February 2002.
- Pushing the Edge of the Envelope: Pluripotent Stem Cell Research. Annual Meeting, Canadian College of Medical Geneticists and Canadian Association of Genetic Counsellors, Halifax, Nova Scotia, December 2001.
- A Reflection on the 'Place' of Bioethics. 13th Annual Meeting of the Canadian Bioethics Society, Winnipeg, Manitoba, October 2001. www.bioethics.ca/english/am/baylis20001/cbs2001b2.ppt
- What Do You Need to Know? Knowledge, Skills and Abilities. 13th Annual Meeting of the Canadian Bioethics Society, Winnipeg, Manitoba, October 2001.
- Ethical Challenges for Research in the New Genetics. After Dinner Address. CIHR Health Services Workshop, Toronto, Ontario, September 2001.
- Ethical Challenges for Research in the New Genetics. Keynote Address. Ethical Challenges for Research in the New Genetics. Winnipeg, Manitoba, June 2001.
- Values: From Paper to Practice. Keynote Address. Quest for Quality in Acute Care. Health Canada. Halifax, Nova Scotia, June 2001.
- Ethics and Reproduction: There is Cloning, and Then There is Cloning! CESAF Women's Health and Diversity Centre of Excellence for Women's Health, National Conference, Montréal, Québec, April 2001.
- The Inevitability of Genetic Enhancement Technologies. The Canadian Charter of Rights and Freedoms: Twenty Years Later Canadian Bar Association, National Conference, Ottawa, Ontario, April 2001.
- Health Care Ethics Consultation: A Comparison of Canadian and American Standards. Pre-conference Workshop on Healthcare Ethics Committees: Meeting our Communities' Diverse Needs. 10th Annual Meeting of the Canadian Bioethics Society, Toronto, Ontario, October 1998.
- Ethics Consultation Resources: Where to Go For Help! Ethics in the Boardroom and the Administrative Office, Canadian College of Health Service Executives and Catholic Health Association of Canada, Toronto, Ontario, December 1997.
- Functions of Ethics Committees -- Pre-conference Workshop on Ethics Committees: Developments and Challenges. 9th Annual Meeting of the Canadian Bioethics Society, Halifax, Nova Scotia, October 1997.

PROFESSIONAL AND ACADEMIC SERVICE

ACADEMIC ASSOCIATION BOARD SERVICE

- Member, Steering Committee, Royal Society of Canada Atlantic Chapter (SC-A), 2008-2010.
- Member, Committee on Expert Panels, Royal Society of Canada, 2008-current
- Chair, Nominating Committee, International Network on Feminist Approaches to Bioethics (FAB), 2008.
- Advisory Board Member, International Network on Feminist Approaches to Bioethics (FAB), 2006-08.
- Co-coordinator, International Network on Feminist Approaches to Bioethics (FAB) 2004-06.
- Member Clinical Ethics Task Force, American Society for Bioethics and Humanities (ASBH), 2000-01.
- Member, Task Force on Standards for Clinical Ethics Consultation, Society for Health and Human Values/Society for Bioethics Consultation (SHHV/SBC) 1996-98.
- Board Member, Society for Bioethics Consultation (SBC), 1995-97.
- Secretary-Treasurer, Canadian Bioethics Society (CBS), 1989-91.

CONFERENCE PLANNING

- Co-Chair, Planning Committee, Brain Matters: New Directions in Neuroethics, Halifax, NS, 2009.
- Planning Committee, International Network on Feminist Approaches to Bioethics, Beijing China, 2006
- Planning Committee, Maritime Health Technology Symposium, Halifax, NS, 2006
- Planning Committee, Canadian Society for Women in Philosophy, Halifax, NS, 2005
- Planning Committee, Canadian Bioethics Society (CBS), Halifax, NS, 2005
- Peer Review, American Society for Bioethics and Humanities (ASBH), Nashville TN, 2001
- Planning Committee, Canadian Bioethics Society (CBS), Halifax, NS, 1997

- Chair, Planning Committee, Society for Bioethics Consultation (SBC), Cleveland OH, 1995
- Peer Review, Society for Bioethics Consultation (SBC), Cleveland OH, 1995
- Planning Committee, Society for Bioethics Consultation (SBC), Pittsburgh, PA, 1994
- Planning Committee, Society for Bioethics Consultation (SBC), Cleveland, OH, 1993
- Planning Committee, Canadian Bioethics Society (CBS), Toronto, ON, 1992
- Planning Committee, Canadian Bioethics Society (CBS), Hamilton, ON, 1991

COURSES TAUGHT

UNDERGRADUATE

- Biology BIOL 4807 (Special Topics in Biology); Dalhousie University (independent study)
- Clerkship Ethics (MED III); Faculty of Medicine, Dalhousie University Spring 97; Fall 97; Fall 98; Fall 01
- Ob/Gyn Clinical Clerkship (MED III); Faculty of Medicine, Dalhousie University 1999-present (monthly 1 1/2 hour tutorials)
- Ethics in Medicine (Patient-Doctor Unit) (MED I); Faculty of Medicine, Dalhousie University Spring 97; Spring 98; Fall 98
- Ethics in Genetics Embryology and Reproduction (MED I); Faculty of Medicine, Dalhousie University, Spring 98 – present
- Philosophy PHIL 345 (Medical Ethics); University of Tennessee, Knoxville Fall 93; Spring 94; Spring 95; Summer 95; Spring 96
- Rehabilitation Medicine REH 400 (Ethics in Rehabilitation); University of Toronto Fall 91, 92
- Medical Ethics (331S) (MED III); Faculty of Medicine, University of Toronto Spring 91; Spring 93
- Human Values in Medicine ETH 111F (MED I); Faculty of Medicine, University of Toronto Fall 90; Fall 91
- Philosophy PHIL 145 (Introduction to Philosophy); University of Western Ontario, Fall 84

GRADUATE

- Bioethics BIOT 5105 (Directed Reading Course in Bioethics), Summer 2009
- Bioethics BIOT 5101 (Resources for Bioethicists); Dalhousie University, Winter 2006
- Bioethics BIOT 5000 (Advanced Topics in Bioethics); Dalhousie University, Winter 2005
- Philosophy PHIL 546 (Orientation to Medical Ethics); University of Tennessee, Knoxville Spring 96
- Philosophy PHIL 588 (Clinical Practicum); University of Tennessee, Knoxville Fall 95
- Philosophy PHIL 544 (Topics in Applied Ethics: Feminist Health Care Ethics); University of Tennessee, Knoxville, Spring 95
- Philosophy PHIL 547 (Clinical Med. Ethics); University of Tennessee, Knoxville, Spring 94
- Medical Ethics; Hospital for Sick Children, Paediatric Residents Seminar (RI), Spring 92

CONTINUING EDUCATION

- Canadian Public Health Association, mission to Serbia, November 2004
- Integrity in Scholarly Activity Workshop, Dalhousie University, January 2003
- Canadian Health Care Ethics Forum (national meeting), Senior Faculty and Program Chair, Vancouver, August 1998 (5 day retreat for faculty-in-training)
- Everyday Ethics; Faculty of Medicine, Dalhousie University, Fall 1998 (4hours)
- Canadian Health Care Ethics Forum (regional meeting), Senior Faculty, Halifax, October 1996 (3 day meeting for faculty-in-training)
- Bioethics Interest Group; Faculty of Medicine, Dalhousie University Fall 1996; Spring 1997 (4hours)
- Canadian Health Care Ethics Forum (national meeting), Senior Faculty, The Banff Centre, August 1996 (3-5 day retreat for faculty-in-training)
- Faculty Development Workshop on Ethics, University of Manitoba, January 1996 (2 day workshop)
- Canadian Health Care Ethics Forum (national meeting), Senior Faculty, The Banff Centre, August 1995 (5 day retreat for faculty-in-training)
- Everyday Ethics; Hospital for Sick Children, December 1991 - June 1993 (monthly, 2 hour seminars)

- Ethics and In Vitro Fertilization, The Michener Institute for Applied Health Sciences (ME 705), Fall 1990 and Fall 1991 (8 hour seminars)
- Nursing Ethics, St. Joseph's Health Centre, Fall 1990 (6 hours)
- But is it Ethical? G1041; University of Western Ontario, Fall 1990 (4 hours)
- Elderhostel, University of Western Ontario, June 1990 (4 hours)

In addition to the above, while working as an ethics consultant, I have conducted a range of educational activities in health care settings including Grand Rounds, seminars, full day workshops for residents, hospital staff and Ethics Committee members at the following health care institutions in Canada and the United States:

- Capital District Health Authority, Halifax, Nova Scotia, January 2001
- Queen Elizabeth II Health Sciences Centre, Halifax, Nova Scotia, June 1999
- Nova Scotia Hospital, Dartmouth, Nova Scotia, December 1998
- St Paul's Hospital, Vancouver, British Columbia, October 1997
- IWK/Grace Health Centre, Halifax, Nova Scotia, November 1996 to August 1997
- The Children's Hospital, Columbus, Ohio, February 1996
- St. John's Hospital, Springfield, Missouri, November 1995
- Alpena Hospital, Alpena, Michigan, (FIPSE) June 1995
- St. Boniface General Hospital, Winnipeg, Manitoba, May 1995
- Vancouver General Hospital, Vancouver, British Columbia, April 1995
- Vanderbilt, Nashville, Tennessee, April 1994
- Fitzsimons Hospital, Denver, Colorado, (FIPSE) April 1994
- Health Sciences Centre, Winnipeg, Manitoba, January 1994; May 1995; January 1996
